**Mogul - 1969**

VOLUME 54  
FREMONT, MICHIGAN

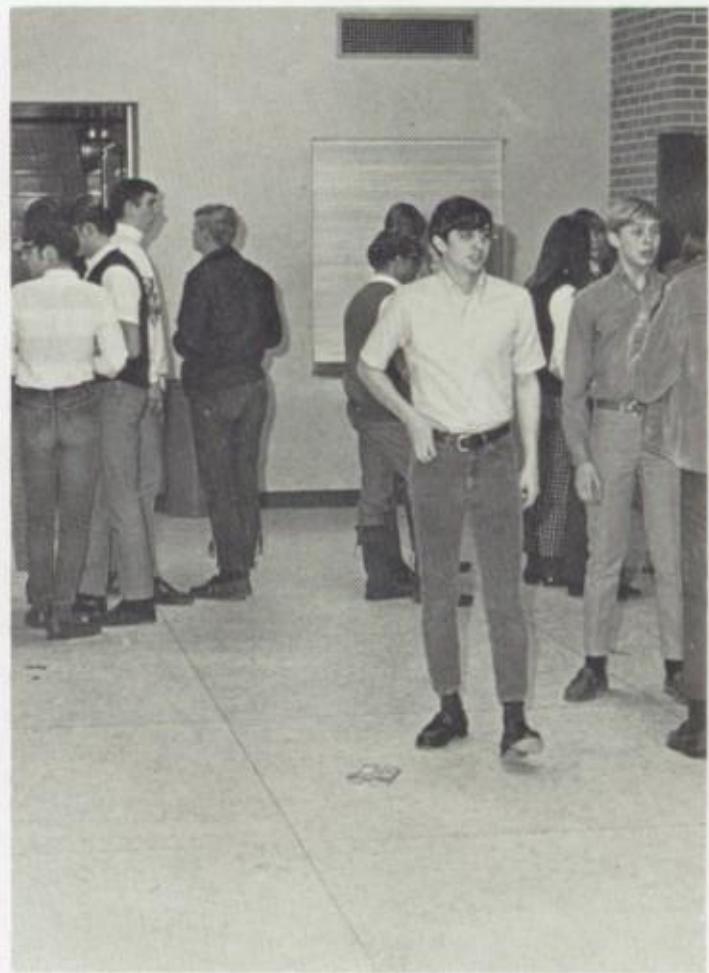

Because of your expert teaching,  
your helping hand, and your  
willingness to be a friend, the  
1969 Mogul is proudly dedicated  
to you . . .

MISS ANN WERNER

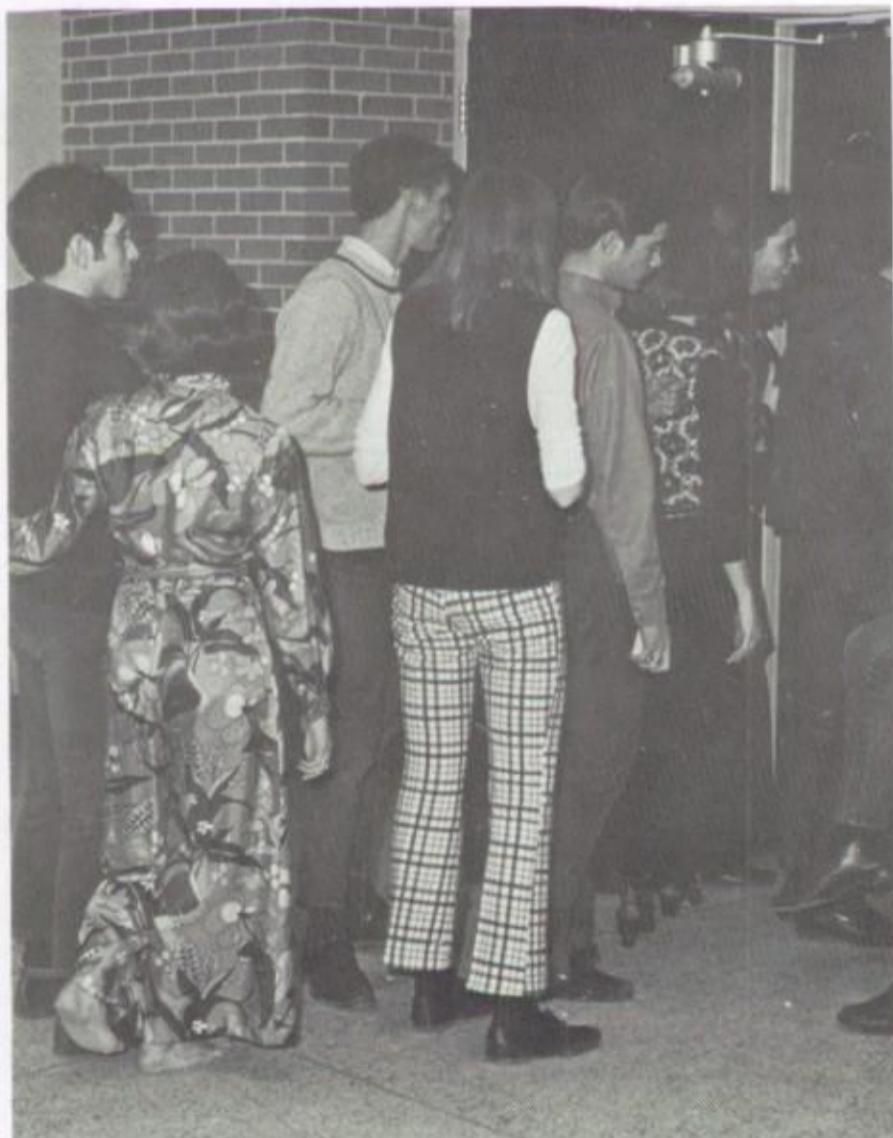

. . . more than a place to spend 35 hours a week. It is where a new realm of experiences are opened up to you. It is where you learn how to cook your first exotic meal and make your first observations in Biology count. It is the thrill as you get that big-kid feeling slipping on your class ring for the first time. It is coming to school on a brisk morning and goofing around with your friends before class. It is the heart-stopping second when you are told to report to the office over the P. A.

It is learning to do as a group. Having your handwriting analyzed at an assembly, eating together in the cafe, going to Government Day, and it is the togetherness of the smile in defeat, or the laughter in victory at that all-important big game.

## And so, too, Fremont High is . . . .

The 1968-69 Fremont High School Choir, under the direction of Mrs. Culling, was one of the best in years. Their ability allowed them to perform Handel's "Messiah" never before done by the choir here. On March 20, Fremont hosted the Seaway League Invitational Choral Festival, and the choir performed there. Later, the choir finished their fine year in the Spring Concert. They will sing as always in the traditional graduation.

Work Crew, a select singing group comprised of the best voices in the school, had twenty people and an excellent sound. Mrs. Culling directed the group, which rehearsed after school hours twice a week. They sang at the Christmas Concert in December, at the Seaway Festival, and again at the Spring Vocal Concert.

Fremont High School Chorus, though plagued by a lack of male voices, performed well on three occasions. With the able leadership of Mrs. Culling, they sang at the Christmas Concert, alone and with the mass choir at the Seaway Festival, and finished the year at the Spring Concert.

Some of their activities were a Powder Puff football game, a swim party, roller skating, a fall bike hike, and a competitive basketball game with Reeths-Puffer's G.A.A.

## VARSITY CLUB

There may be a time of the year when you might see the boy you sat next to yesterday crawling on his hands and knees in a disgusting outfit, with Butch wax in his hair, screaming at the top of his lungs that the British are coming with a Tabasco sauce swollen tongue. But have no fear, it's just the Varsity Club initiation of new members. Beside putting new members through inconceivable "tortures", the Varsity Club, sponsored by Mr. Arnett, have checked in coats at games and had water-balloon throwing at the Mid-Winter Festival.

**ACTIVITIES**

# Homecoming

Queen Linda and her rightfully proud father, moments after the crowning.

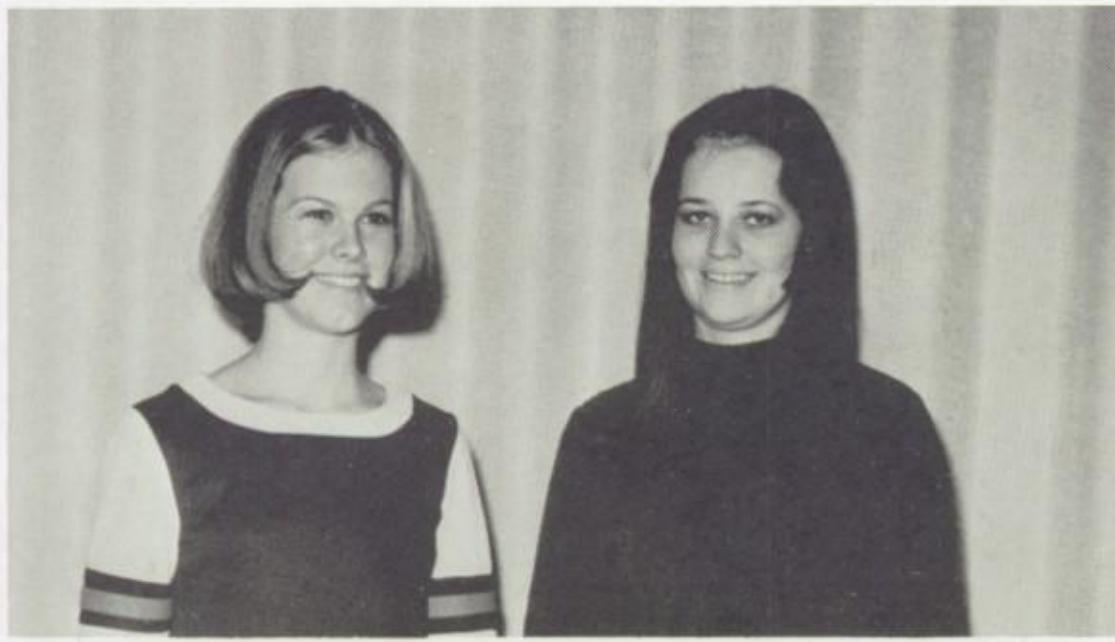

Linda displays her talent in giving her dramatic poem.

Dianne Hadorn portrays our beloved coach giving a pep talk.

In the float contest, the seniors won with "The Wizard of Oz" theme.

Missy Moe and Judy Johnson were the Sophomore and Junior homecoming representatives.

The beautiful and chilly night of our homecoming game turned out to be a perfect one when, during the special half-time, Linda Wert was made the queen and we went on to victory over White-hall. Lovely and talented Linda reigned over our semi-formal dance where "The Fluid Ounce" played.

Kris Kage relates a childhood experience.

Ev, with her fine voice,  
sings "Believe Me".

Gail Westberg relives  
the first big date.

Robin Fenner compares yesterday's  
song lyrics to today's.

# Infanta

INFANTA was the one act play of drama presented the 22nd and 23rd of November by the Drama Club. Infanta, directed by Mr. Dan Gerber, depicted a lovely Spanish princess whose desire for the beautiful ideas of a crippled dwarf were destroyed by a heartlessly cruel aunt.

The Infanta carefully covers the dead body of the ugly little dwarf.

The dwarf confronts his image for the first time in a mirror.

CAST: C. Gerdes, D. Oosting, C. Carothers, Mr. Gerber, M. McCormick, C. Kolk.

The Infanta reluctantly allows the Count to kiss her hand.

# Sorry, Wrong Number

Murder and suspense were the high points of the play, SORRY! WRONG NUMBER, put on by the Drama Club and directed by Mrs. Brothers. The one act play portrayed a bedridden old woman who, upon overhearing her murder being plotted on the telephone, tried in vain to obtain help. It was presented the 22nd and 23rd of November.

K. Miner and M. McGowan play the dense and methodical operators.

R. Wingelaar, the crafty killer, plans the murder by phone.

SEATED: R. Wingelaar, M. Kendall; STANDING: Mrs. Brothers, J. DeJong, M. Arnold, K. Miner, M. McGowan, P. Shanahan.

The lieutenant calmly listens to the frantic woman.

The killer, smiling all the way, murders his victim.

Gordon Purcey and Kathi Parker reign over the Mid-Winter Festival.

Connie Obits was awarded second prize for her "Wall Street Rag."

## Mid-Winter Festival

Under the hilarious theme of the well-known "Laugh-in" the Mid-Winter Festival got under way February 15th. Those who reigned over the festivities were Gordon Purcey, King; Kathi Parker, Queen; Bill Nelson, Prince; and Carol Haines, Princess. The exciting evening, planned by the Student Council, included booths, a talent show shown to a capacity crowd and a disc-jockey, Larry Allen.

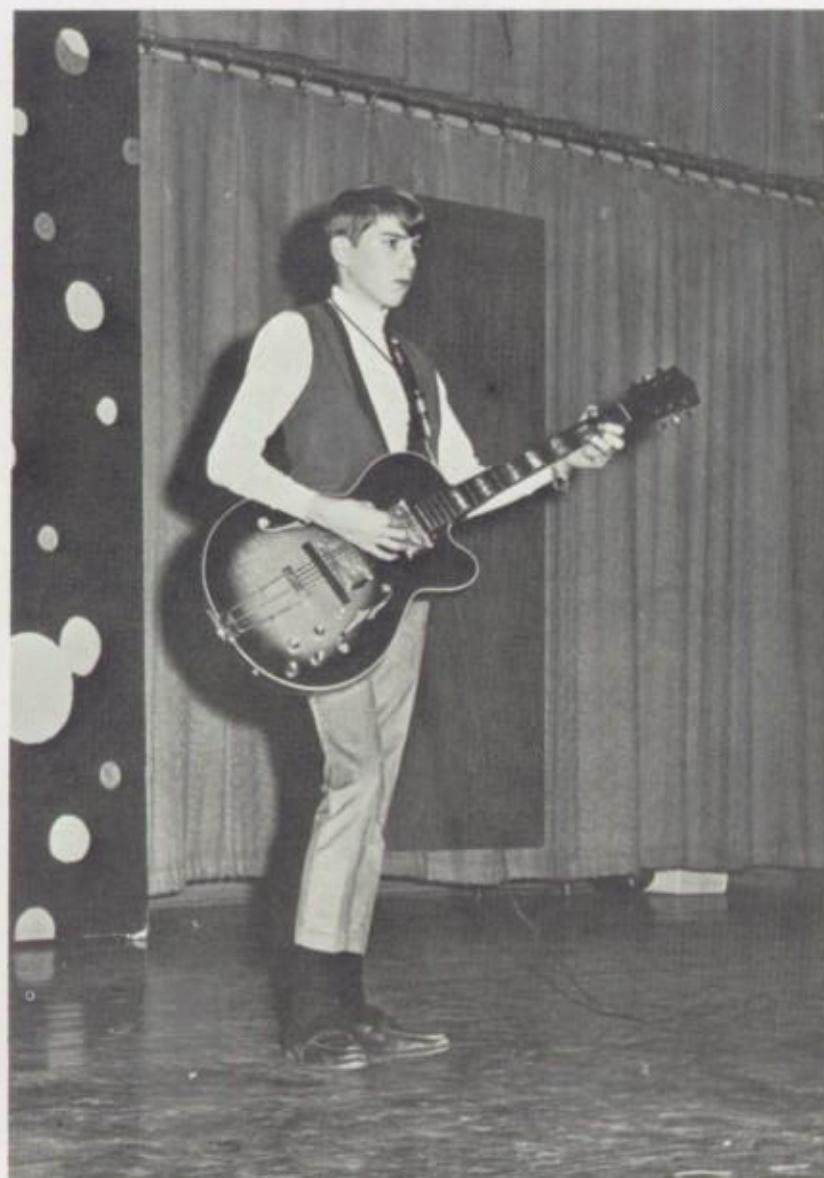

Lora Lynn Smith accompanying Cindy Kolk singing "Those Were the Days" won first prize.

Bill Nelson and Carol Haines were chosen to be our Prince and Princess.

"If Ever I Would Leave You" is a selection from the motion picture "Camelot" and was sung by Dave Oosting.

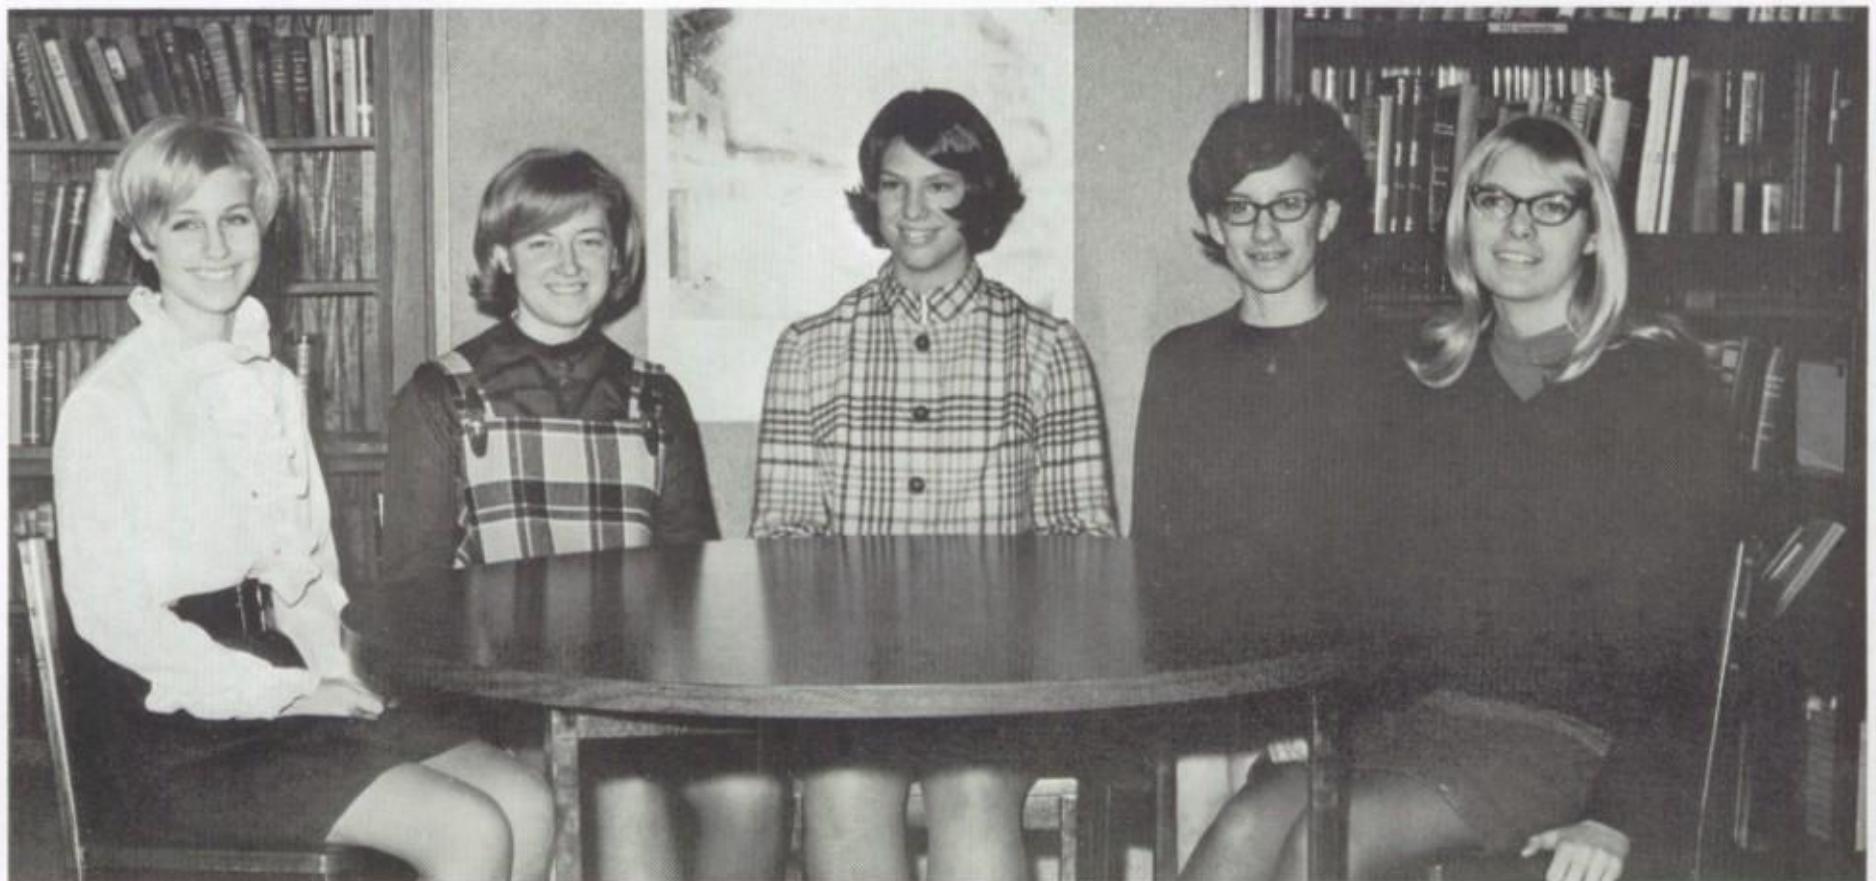

Our third prize winner, Don Williams, sings a Country and Western song "Sleepin' at the Foot of the Bed."

G. Langer and C. Lingebrait, both exchange students, share their talent of folksinging.

# Exchange Students

AMERICAN EXCHANGE STUDENTS

J. HARTSEMA, K. LUCHIE, M. BROOKHOUSE, L. HOYT, L. SHERMAN.

This year our school was fortunate enough to have four exchange students visit us and stay with Fremont families. Caty Lingebrant, from Sweden, stayed with Martha Manildi's family. Eleonora Bergamini, from Brazil, had been Linda Sherman's sister when Linda visited her country and stayed with the Shermans. Divani Mogames, also from Brazil, stayed with Carol Sue Brink's family and Gisela Langer, our German visitor, homed with Jeanne Hostetter's family.

Fremont also sent students abroad to have unique and interesting summers in other countries. Molly Brookhouse, Lynn Hoyt and Karen Luchie toured the historic country of Germany. Linda Sherman visited our South American neighbors in Brazil and Jill Hartsema traveled to Sweden.

FOREIGN EXCHANGE STUDENTS

D. MOGAMES, G. LANGER, C. LINGEBRANT, E. BERGAMINI.

# Packer Tales Staff

STANDING: Miss Werner, M. Kendall, D. Scott. SEATED: R. Burgess, L. Smith, R. Wingelaar, K. Parker, L. Powell.

The paper staff is responsible for the publication of the Packer Tales, edited by Roger Wingelaar, and has put out one issue per month plus special holiday issues. They were also involved in writing articles for the Times Indicator that inform people of activities in the public schools.

Amid the clutter, the paper staff succeeds in publishing a fine Christmas issue.

Rob takes a rest as Lora Lynn keeps busy counting lines.

# Mogul Staff

STANDING: Miss Werner, R. Roossinck, L. Price, J. MacDonald. SEATED: J. Hoyt, J. Hostetler, W. Jahr, J. Petz, C. Knox.

As Jan and Jeanine know, Mogul publication takes many hours of hard work on layouts.

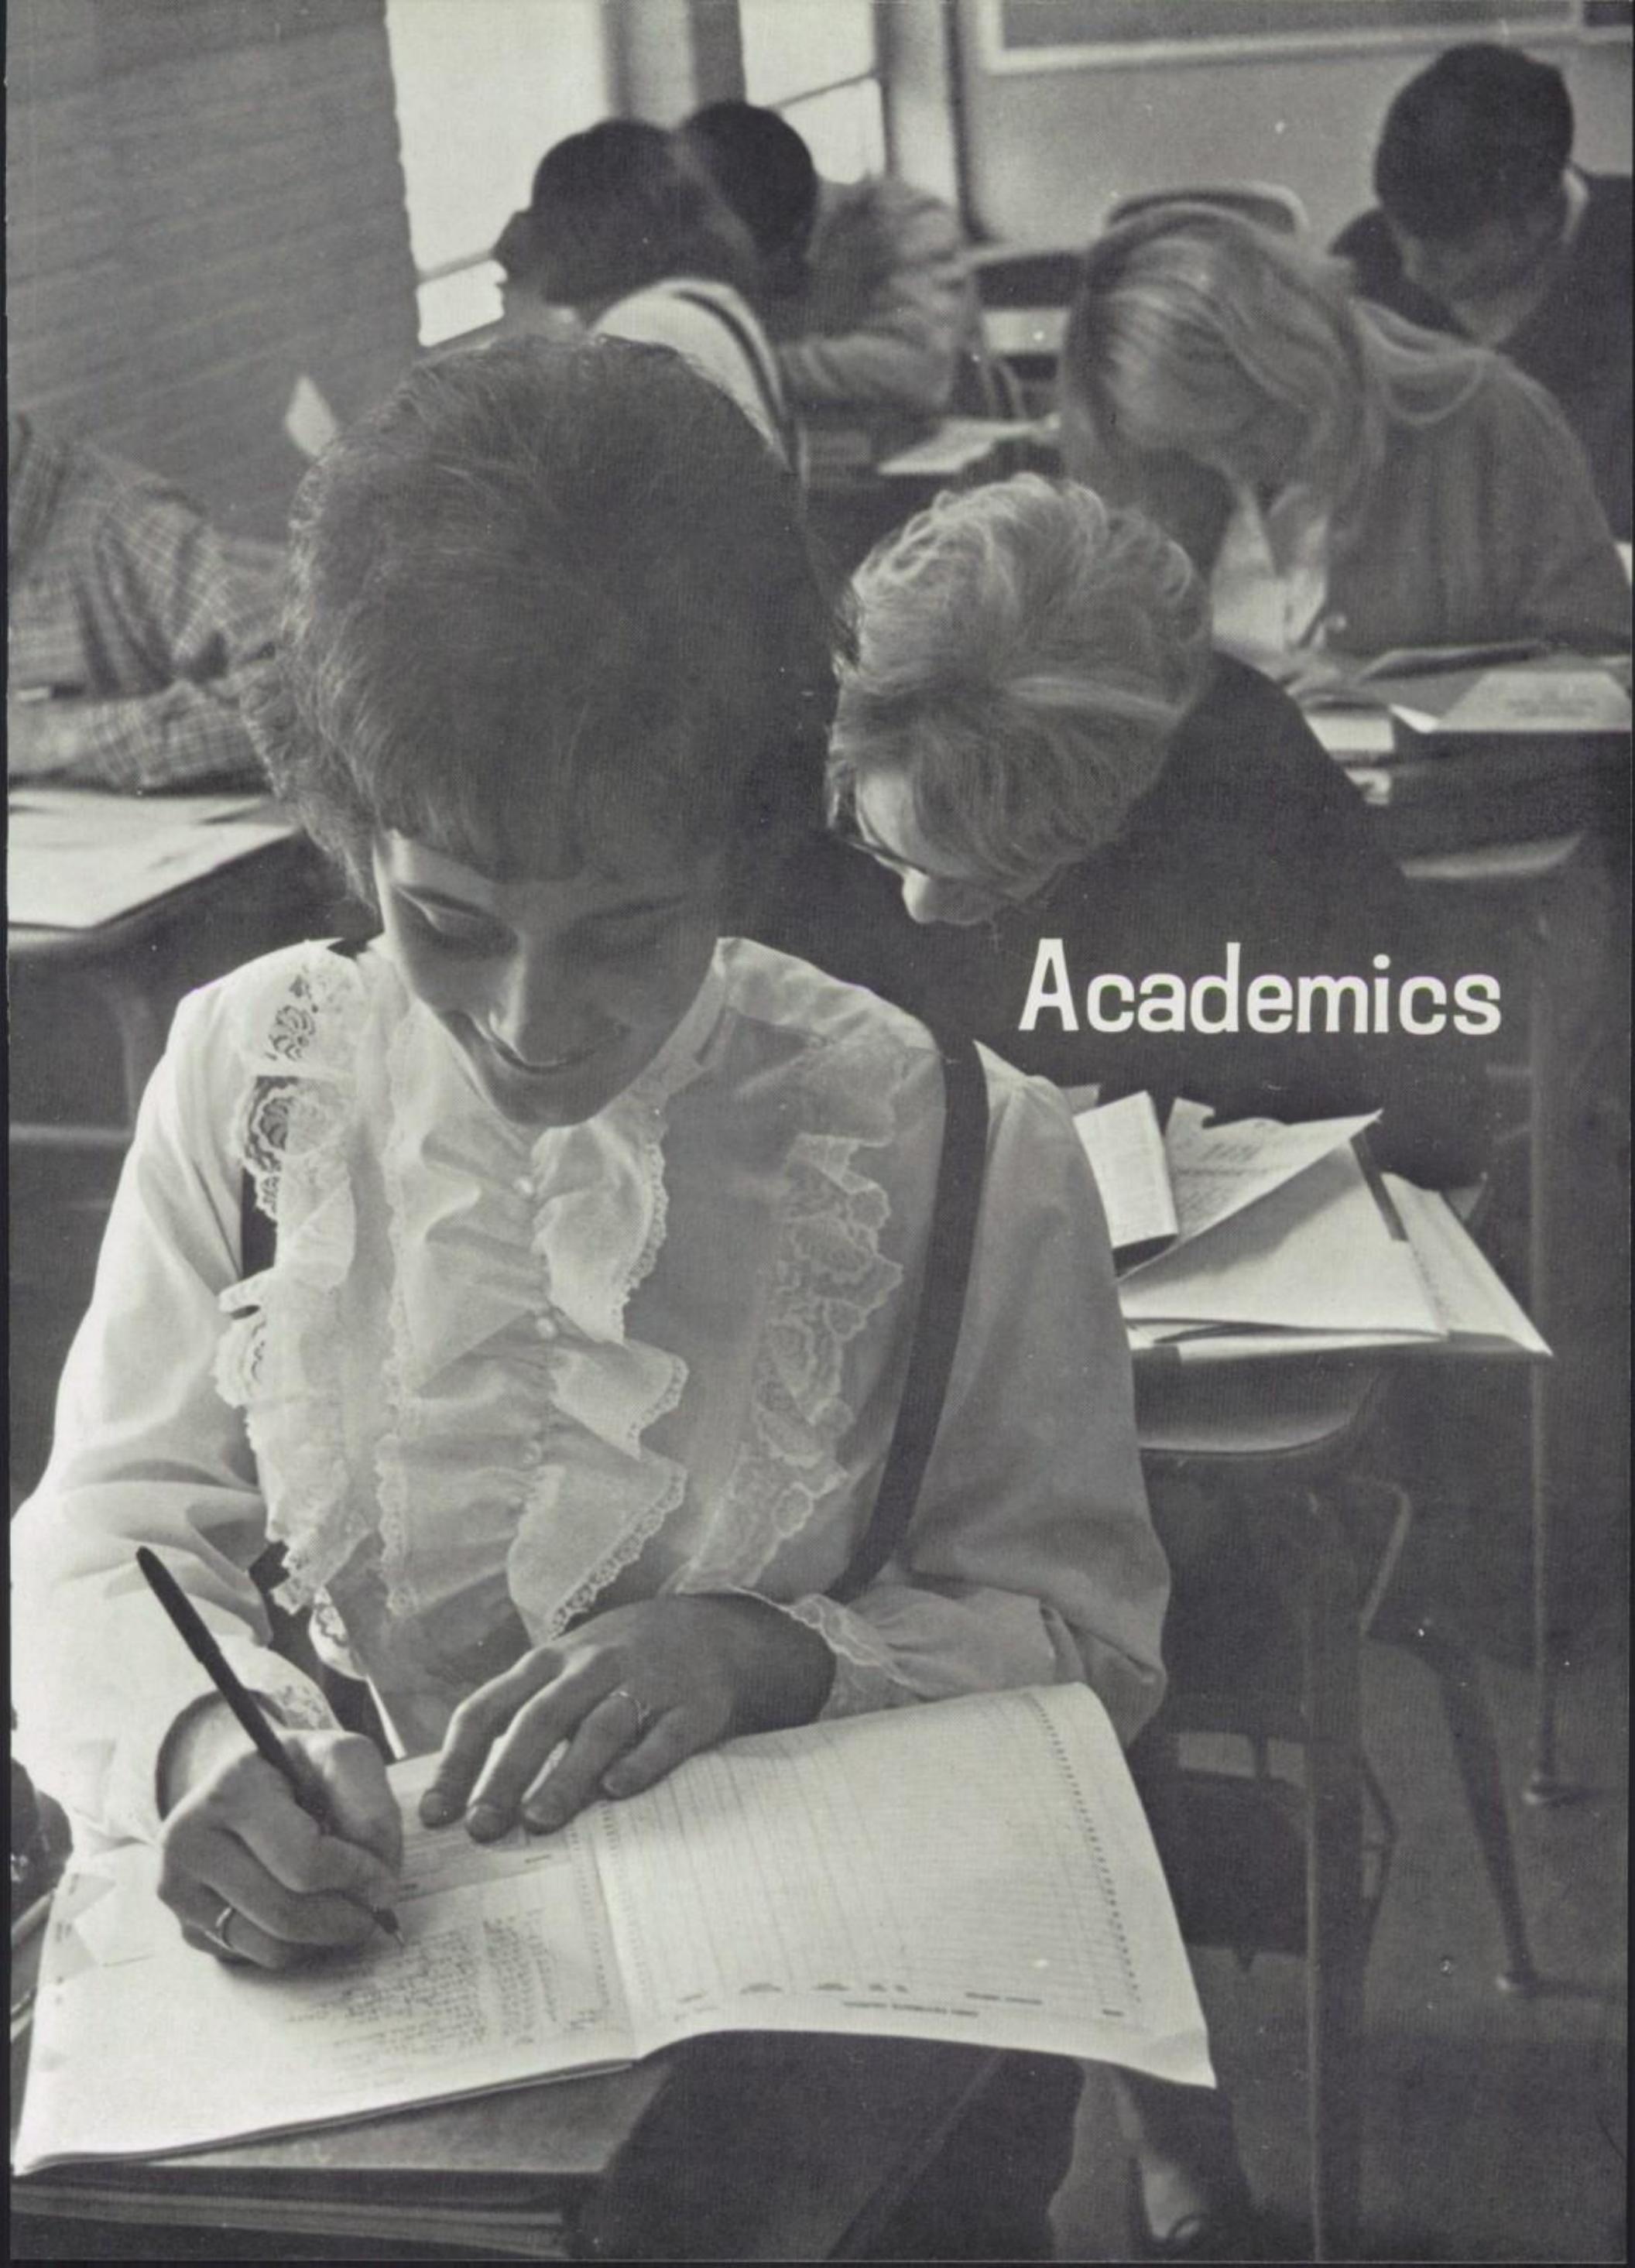

The Mogul Staff started their busy year by selling ads to merchants and professional men, then they sold subscriptions to the students for two weeks and the rest of the time was used to obtain pictures, work on layouts and write copy. This yearbook, edited by Wayne Jahr, is their product.

Staff members are caught in the act of resting while selling ads.

What's this? Has our editor discovered an obscene photograph?

We depend on the Math Department in our school to prepare us for mathematical problems we may face in the future. Students going on to further their education need knowledge of Math for many of their courses. Those that choose to start work after graduation need it to solve everyday problems. The Math Department here gives us this knowledge.

★

The chalkboard contains the following text and logarithmic tables:

- Math Hand
- 3. 60
- $\sin \alpha \cos \beta + \sin \beta \cos \alpha$
- $\cos \alpha \cos \beta - \sin \alpha \sin \beta$
- $\cos(\alpha + \beta) = \cos \alpha \cos \beta - \sin \alpha \sin \beta$
- $\tan(\alpha + \beta) = \frac{\tan \alpha + \tan \beta}{1 - \tan \alpha \tan \beta}$
- $\tan(\alpha - \beta) = \frac{\tan \alpha - \tan \beta}{1 + \tan \alpha \tan \beta}$
- DOUBLE

Below the chalkboard is a logarithmic table from "Tables of Logarithms and Trigonometric Functions" by C. H. Smith, showing values for angles from 0 to 90 degrees and logarithms from 0 to 7.

The Agriculture Department gives students planning careers pertaining to Agriculture a wonderful opportunity to learn a little bit about the field before they get into it. Four years of Agriculture are available to the boys, and the girls are allowed to attend a course in Conservation. Besides their classroom studies the students carry on many projects at home.

**NINETEEN HUNDRED AND SIXTY NINE**  
**Junior High . . .**

## Fremont Junior High Is . . .

the "big kid" feeling you get when you go to a junior high instead of an elementary school and the "little kid" feeling you have after the first week of razing by eighth and ninth graders. It is packing 85 kids in a bus meant to hold 60. Junior High is also a median between adulthood and responsibility and childhood and carefree days. It is another step on the road to a higher education.

### TABLE OF CONTENTS

# Junior High Class Officers

## BEING IN THE NINTH GRADE IS . . .

the anticipation of being in the high school next year. It is the thrill of being able to choose your own classes. It is attending your first dance and trying to disguise the fact that you are only a ninth grader. Being in ninth grade also means the good fortune (?) of having gym all year.

Ninth grade officers were (seated) Mark Purcey, Secretary; Jerry Fisk, President; (standing) Tim MacDonald, Vice-President; Steve Busch, Treasurer.

Eighth grade officers were (seated) Jan Witteveen, Treasurer; Rhondi Moe, Secretary. (Standing) Jim Stroven, President; Tony Norkus, Vice-president.

## SEVENTH GRADERS ARE . . .

the youngest of junior high students. They serve as scape-goats and objects for eighth and ninth grade jokes. But they do have the feeling of superiority which comes upon entering a junior high and seeing high school and college days that much closer.

Seventh grade officers were (seated) Kim Wever, Secretary; Tracy Fenner, Vice-President. (Standing) Rick Crisp, Treasurer; and Kurt Sanderson, President.

### CONGRATULATIONS, CLASS OF '69, FROM THE MOGUL STAFF

Editor-in-Chief .....	Wayne Jahr
Administration Editor .....	Jeanine MacDonald
Activities and Organization Editor .....	Jeanne Petz
Sports Editor .....	Ralph Roossinck
Senior Editor .....	Connie Knox
Underclassmen Editor .....	Jeanne Hostetler
Junior High Editor .....	Jan Hoyt
Business Editor .....	Lee Price
Advisor .....	Miss Ann Werner

With this, the final page of the 1969 Mogul, my two-year yearbook career at F.H.S. draws to a close. So, too, does my six-year term of being a student in these hallowed halls, along with some other 177 Seniors.

I hope as you paged through the book this year you found something of interest to you. We tried to portray life at F.H.S. as we see it, the fun and carefree moments, and the serious side too. All in all we tried to show the people and events that go into making F.H.S. what it is.

I would like to extend personal thanks to my advisor, Miss Werner, for her help throughout the year, and to my staff — without them the Mogul would not have been possible. Also thanks go out to our printer, our photographer, and to all the area businessmen who supported us through this year. Finally I would like to thank all of you students for your devoted faith in the Mogul this year.

And so I must say good-by to F.H.S., but, like many other Seniors, I'll have my 1969 Mogul to look at now and again and be able to say "This was Fremont High . . ."

Sincerely yours,

*Wayne Jahr*
